

Experience Design

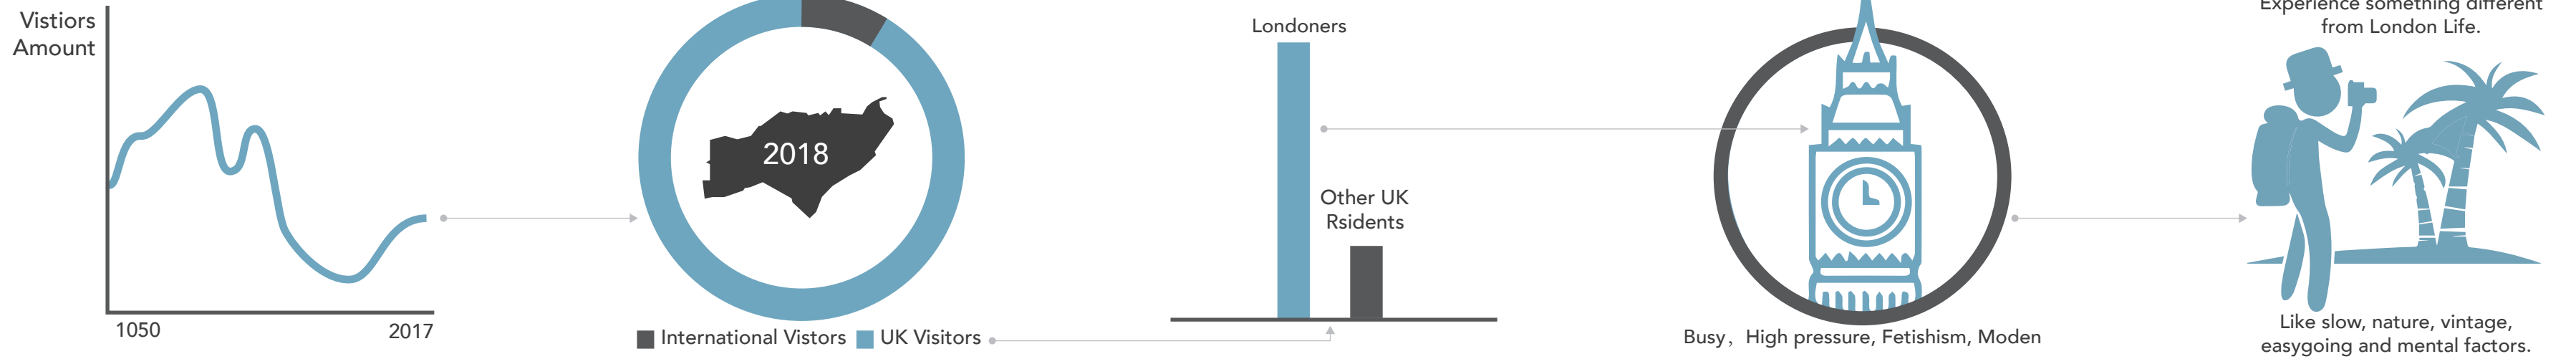

M Space is a meditation centre designed on Margate's pier.

Introduction:

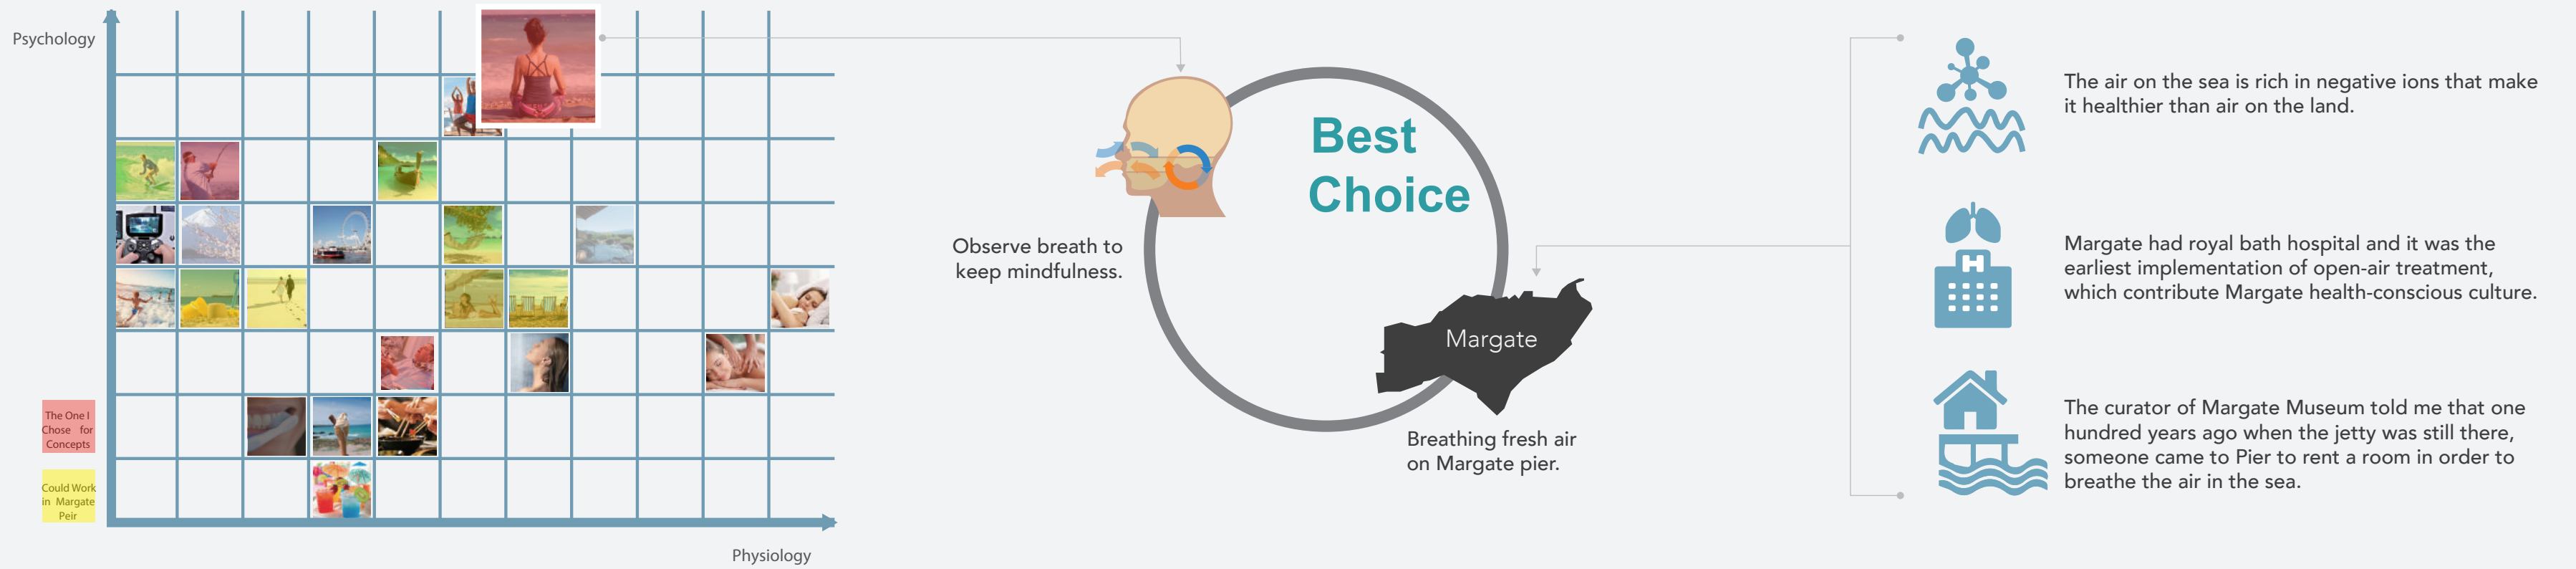

With the calm environment, M Space aims to enhance users' physical senses and help them slow down their thoughts by creating undisturbed space with soft geometries and using water as filtered lens to block the modern world filled with information temporally.

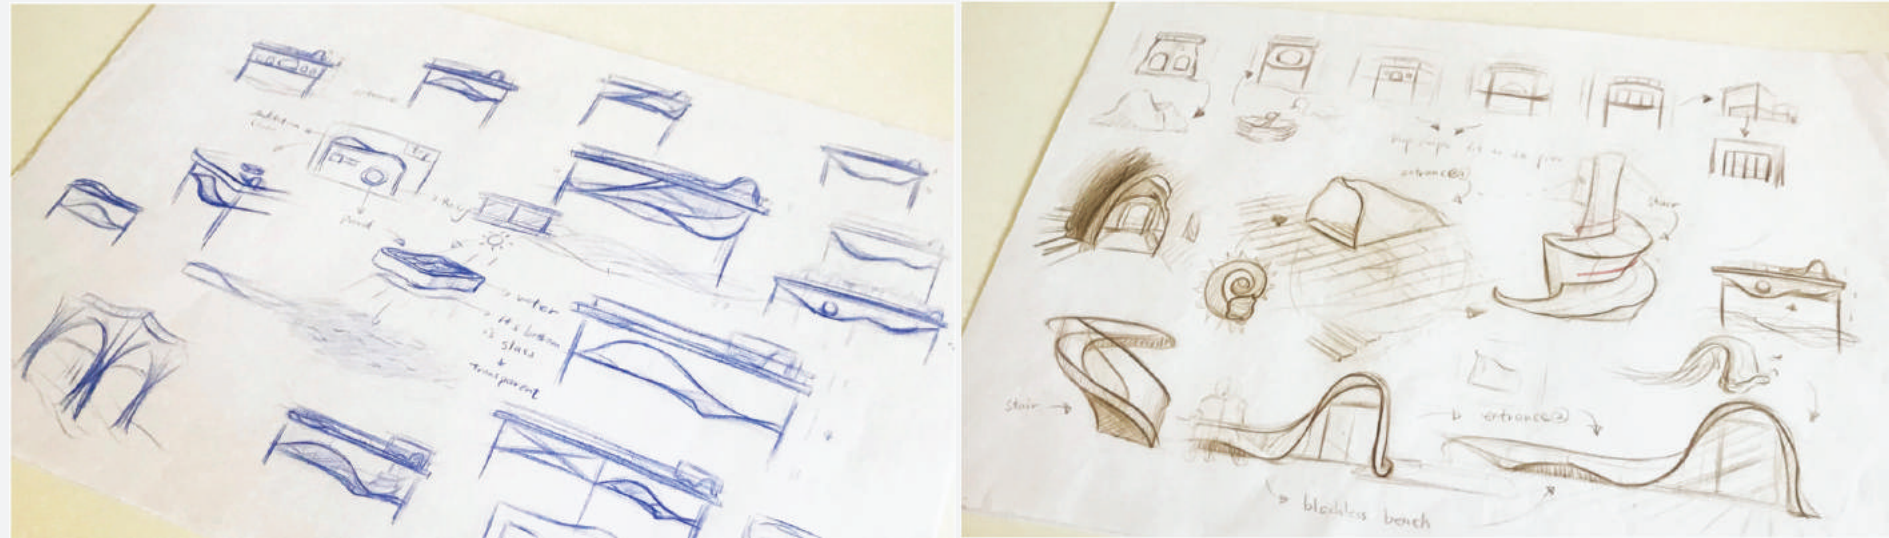

Research & Analyse

Insight & Opportunities

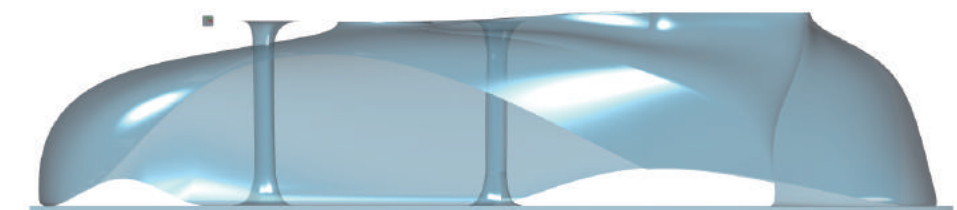

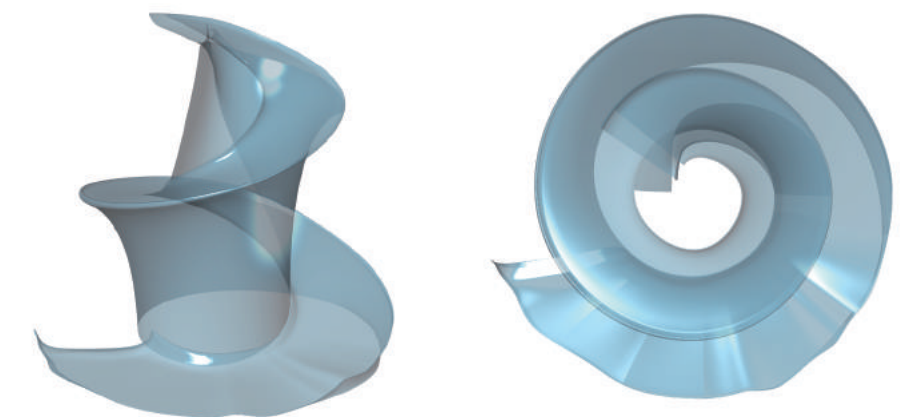

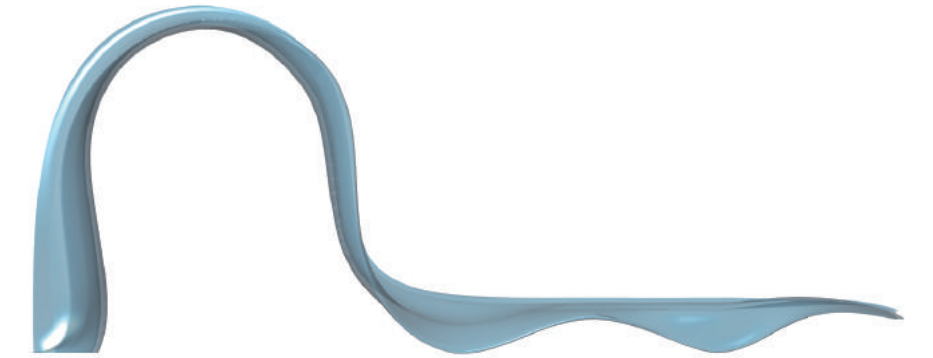

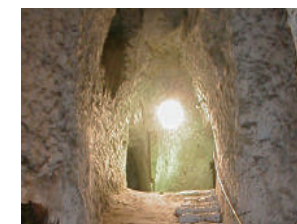

Sketch & Prototype

Visual Inspiration

From natural, close to natural, back to natural.
(Inspired by Antoni Gaudí i Cornet)

Story Board
